Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment:

Multiple phone calls were made during 12/31/07 and 1/4/08 to applicant's representative, Bernard Rose, who last responded in the application on 10/29/04, at 650-849-4902, which was the phone number provided in the response. However, the examiner was told that Bernard Rose was not working in that firm anymore and could not find the application number in the firm's docket. Later, the examiner was transferred to Bingham McCutchen's San Francisco office, but was told that no Bernard Rose was working there either, and could not find who is in charge of the instant application.
